

Terms and Conditions

The information contained in this website has been prepared solely for the purpose of providing information about Grayling, its subsidiaries and the services that they offer. It does not constitute an offer to sell any securities and must not be relied upon in connection with any investment decision.

By accessing this website you agree that Grayling will not be liable for any direct, indirect or consequential loss arising from the use of the information and material contained in this website or from your access of other material on the internet via web links from this site. The above exclusions and limitations apply only to the extent permitted by law.

The copyright in the material contained in this website and any Grayling trademarks and brands included in that material belongs to Grayling or its licensors. Any person may copy any part of this material from this website, subject to the following conditions: The material may be used only for that person's own personal use for non-commercial purposes; The copies must retain any copyright or other intellectual property notices contained in the original material; and the products, technology or processes described in this website may be the subject of other intellectual property rights reserved by Grayling or by other third parties. No license is granted in respect of those intellectual property rights. Images, trademarks and brands displayed on this site are protected by copyright, trade mark and other intellectual property laws and may not be reproduced or appropriated in any manner without written permission of their respective owner(s).

Email Disclaimer

Grayling or any of its subsidiary companies may not be held responsible for the content of this email as it may reflect the personal view of the sender and not that of the company. Should you receive this email in error, please notify the sender immediately and do not disclose, copy or distribute it. While Grayling runs anti-virus software on all servers and all workstations, it cannot be held responsible for any infected files that you may receive. Grayling advises all recipients to virus scan any file attachments.
